Dear Valued Customer,

As Spring approaches, if you refer a friend and they buy 6 months, we will give you a month for free! Thank you again for all your referrals!

Affordable RV Storage is updating your information in our system!

Please fill this out with your current information and mail back to us!

Thank you for doing this and we do appreciate your business!

We now have a new security gate with key pad entry! Your gate key pad number is your space number and the last 4 of your cell phone number. If no cell phone, then your listed home phone number. If you get to the gate and it will not open for you, we have an intercom and Steve or I will help you.

"Please do not give this to anyone!" It is only for you!

The security of the vehicles is very important to us! Thank you!
